

YEWTURN

Dear Members,

I have decided to produce a streamlined Yewturn for the club as not having a monthly communication is not very helpful when we have information to share and members have notices and equipment for sale.

It will take this form and just be a short two page bulletin, highlighting what's going on and when.

Please visit the website for all other information. Should anyone wish to produce a club night report and send it to me I will include it.

Thanks
Paul
