

October Meeting

We have Andy Coates providing the demonstration. Andy is a frequent visitor and normally delivers a interesting demonstration using some of his trade mark techniques.

Early reminder

The December meeting is or the club competitions night.

The competition night has two competitions the Ralph Jones Trophy and the Robert Saunders Trophy.

The Ralph Jones Trophy is split into two categories, Novice for those who have been turning for 3 years and less and advanced for the rest. Each member can enter up to three pieces of new work but can only win one prize. Judging is carried out by the members.

The Robert Saunders Trophy is a separate best bowl competition open to everyone. Each member can enter 1 bowl. Trophy will be awarded by Gabby Saunders

For those who haven't started their entries its time to start!

through Awards for All

For sale

Vicmarc 175 Swivel head lathe plus metal Vicmarc stand

Variable speed to 30-3000 rpm

Swing over bed 350mm

Between centres 1000mm depending on fittings

24 hole indexing

M33 x 3.5 spindle thread

Spindle and tailstock 2MT

Tapered roller bearings

Lathe has had light usage and is in ready to go condition

Swivel head facility, but I do not have an outboard tool rest system thus only used it to capacity of standard tool rest

Can be seen and tried, bring your own tools or borrow mine

Can be split down for transportation

Selling due to desire to treat myself to new lathe with larger swing capacity, unfortunately have not the space to have two lathes, so new lathe is dependent on selling this one.

Price 1700 pounds

Suggestions Wanted

Very soon it will be time to produce the new display table challenge list. If anybody has ideas for themes please send them to me.

Thanks

Paul
